

## WHAT IS TROOP ICM?

The Iowa Children's Museum is delighted to offer Troop ICM Workshops for girl scout troops! Earn your badges and try-its in our unique hands-on, minds-on learning environment where every child is inspired to imagine, create, discover, and explore through the power of play! Will it be Ceramics and Clay, Theater, or Science Discovery? We have created exceptional workshops where Juniors and Brownies will complete fun and educational activities designed to meet their full badge/try-it requirements! Even the younger Daisy scouts can join in the fun with our Journey Garden workshop!

TROOP ICM WORKSHOPS ARE NOW CUSTOMIZED TO FIT YOUR NEEDS AND SCHEDULE!

### YOU DECIDE:

When you want to schedule a Troop ICM workshop!  
Which badge/try-it your troop wants to earn!

**AVAILABILITY:** Daily from 9:00 am to 8:00 pm  
You select the date and time that works best for your group!

**GROUP SIZE:** Minimum = 8, Maximum = 100

**PROGRAM LENGTH:** Each workshop lasts two hours

## TROOP ICM WORKSHOPS

### DAISIES

#### BETWEEN EARTH AND SKY JOURNEY

Get to know the Daisy flower crew as they take a cross country trip. Do an activity for each stop on the way.

- Create crafts
- Learn science
- Taste test new foods
- and much much more!

### BROWNIES

#### EAT RIGHT, STAY HEALTHY

- Reading labels for healthy eating
- Create a Smart Shopper meal plan
- Taste test dairy foods
- Make a Food People Collage

#### PUPPETS, DOLLS AND PLAYS

- Make a Finger Puppet
- Create a play about safety dos and don'ts
- Design a Rod puppet
- Learn about staging a puppet play

#### BUILDING ART

- Design a futuristic public building
- Create a neighborhood by building a mock city
- Discover the strength of shapes with paper folding experiments
- Design an ideal Girl Scout meeting place

### MOVERS

- Construct a pinwheel and paper copter
- Build a kite
- Create a ring glider and test it's flying capacity
- Design a balloon rocket and test it out!

### SCIENCE AND ACTION

- Go on a Science and Technology Scavenger Hunt
- Experiment with Weird Glop-Is is liquid or solid??
- Blow up a balloon without using your own breath!
- Learn about color un-mixing and create a multi-colored butterfly.

### JUNIORS

#### CERAMICS AND CLAY

Scouts will discover their artistic side as they create with a variety of materials they may have never used before!

- Create a pinch pot and small sculpture
- Design relief tile art
- Watch a video tour and interview with a ceramic artist
- Make glaze bisque ware
- Decorate with ceramics poster
- Make a booklet about several types of folk ceramics

#### PRINTS AND GRAPHICS

Investigate various prints and graphic designs. Decide what you like the best and create your very own Girl Scout stationary!

- Create rubbings
- Design a stamp
- Make prints from natural items
- Print from a silk screen
- Make a stencil
- Create Girl Scout stationary

#### AEROSPACE

Get ready to Take Flight! Aerospace Troop ICM will have you flying high as you learn all about aerospace, and the people who live it every day!

- Learn and test paper airplane designs
- Make a kite
- Meet the Iowa City Aerohawks
- Research a NASA mission
- Try astronaut food
- Learn about Amelia Earhart and The Ninety Nines

#### SCIENCE DISCOVERY

The magic of science will have you fascinated and yearning for more as you study rocks, friction and the secrets of science!

- Make invisible ink
- Make a kaleidoscope
- Do water trick experiments
- Draw and classify rocks
- Learn about women in science
- Experiment with friction

### THEATER

Lights, camera, action! Together your troop will experience the art of theater! Create masks, play charades and experience firsthand the excitement of the theater world!

- Make a mask
- Play character charades
- Do the mirror mimic
- Learn how to change a line's meaning by using different emotions
- Get into character training
- Make a Theater from Around the World booklet
